

ARURA 2010 MAY UPDATE

There's plenty of activity going on to make Arura the biggest and best Arura ever! Lots of young people are already signed up and ready to go – and it's exciting to see so many young people from EGR and EBR inviting their friends to come along too!

There are going to be trips all over the North West of Ireland; a range of diverse activities (old and new!); exciting communicators of the Bible for each age group; and plenty of wee gaps here and there for us to get all the important stuff done – like buying tuck, having a coffee and buying a good book to read – after all – we'll be on our holidays!

Clearly we need lots of leaders and support workers to make this happen – more information on how to register is on page 2. And of course, none of this would work without God's blessing, so we ask for your support in prayer for this event – see page 2 for some pointers.

Week of prayer for Arura

Launch Pad takes off...

The silence on the shores of Strangford Lough on a delightful Saturday in April was shattered by the arrival of over 200 young people from the rallies and beyond. 'Launch Pad' was simply an event to get everyone together who are planning to be part of Arura in the summer.

As a pre-cursor to the week's camp in July, it

was full of team games, all things inflatable, filling food from the bar-beque, time to catch up with friends and even, spot some potential talent. A small team, led by Heather MacCorkell of Bethany, organised the programme.

If Arura's Launch Pad was anything to go by, the real thing is going to be superb!

WAY TO GO

Trust in the LORD with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take."

Proverbs 3 v5-6

We are faced with choices and decisions everyday about what to eat; what to wear; where to go. During the week we will be looking at how to make good decisions, and choosing the right way to go.

Speakers include:

- Mark Ritchie
- Colin Macphie
- Martin Peters
- Glenn Johnston
- Andy Hamilton

Prayer makes things happen...

Prayer is an essential ingredient in making Arura work. If you want to know more about how to pray for Arura, please contact our Prayer Co-ordinator Wendie by emailing prayer@arura2010.com for more information.

Already there are some things that you can be praying for!

- Give thanks for the welcome and support so far from the headmaster and staff at Limavady Grammar

School. Pray that we will develop strong links with this school and will treat the premises and the staff with much respect.

- The registrations are coming in thick and fast - pray for those children, young people and adults who are still considering being part of Arura; that they will be enthused to sign up and recommend others to come too.
- Pray that we will get the right amount of leaders and support workers for

the young people that come – ensuring the workload is manageable and the care and supervision is of excellent quality.

- Pray for the health of those who have so much to organise and do for the week.

“The effective, fervent prayer of a righteous man avails much.”
James 5:16
